EDUCATION AND TRAINING

Undergraduate

2005 B.A. Yale University, New Haven, CT

Doctoral/graduate

2024 M.H.S. Johns Hopkins Bloomberg School of Public Health, Baltimore, MD
2016 M.D. University of North Carolina School of Medicine, Chapel Hill, NC
2015 M.P.H. University of North Carolina Gillings School of Global Public Health, Chapel Hill, NC

Postdoctoral

2017-2019 Resident, Internal Medicine, Johns Hopkins Hospital, Baltimore, MD
2016-2017 Intern, Internal Medicine, Johns Hopkins Hospital, Baltimore, MD

Professional Experience

November 2020-Current Assistant Professor, Division of Hospital Medicine, Johns Hopkins Hospital, Baltimore, MD

July 2020- September 2020 Hospitalist, Hospital-based specialists, Kaiser Permanente San Francisco, San Francisco, CA

July 2019- June 2020 Assistant Professor, General Internal Medicine, Johns Hopkins Hospital, Baltimore, MD

PUBLICATIONS

Original Research

1. **Garneau WM**, Meredith RR, Feder KA, Buresh ME. Initial and final methadone dose during hospitalization and risk of readmission. [In Review].

2. **Garneau WM**, Meredith RR, Feder KA, Buresh ME. Methadone Dose and Patient-Directed Discharge in Hospitalized Patients With Opioid Use Disorder. *JAMA Netw Open*. 2026 Mar 2;9(3):e263439. doi: 10.1001/jamanetworkopen.2026.3439. PMID: 41879780; PMCID: PMC13019229.

3. Kee DP, Feder KA, Wood L, Buresh ME, **Garneau WM**. Trends in Buprenorphine and Methadone Initiation for Opioid Use Disorder Among Patients Using Fentanyl: A Mixed-methods Analysis From an Inpatient Addiction Consult Service. *J Addict Med*. 2026 Apr 7. doi: 10.1097/ADM.0000000000001693. Epub ahead of print. PMID: 41945891.

4. **Garneau WM**, Kushmeliuk S, Kee DP, Gebo KA, Buresh ME. Patient-Directed Discharge Among Hospitalized Persons With Opioid Use Disorder in the Fentanyl Era: A Scoping Review. Am J Med Open. 2026 Feb 28;15:100130. doi: 10.1016/j.ajmo.2026.100130. PMID: 42004694; PMCID: PMC13089212.

Letters, Correspondence

1. **Garneau WM**, Knight AM, Pahwa AK. Letter to the editor: Effectiveness of a Best Practice Alert to Reduce Telemetry Orders. JAMA Intern Med. 2019;179(6):844.

Media Release or Interviews

12/2/2022 Interview subject for *Verywell Health* regarding Paxlovid and pregnancy

1/31/2022 Interview subject for "Hospitals on the Brink" *JHU Hub* Magazine.

1/5/2022 Interviewed to provide commentary to *Medical, Marketing and Media* magazine to discuss how advertising is perceived by hospital medicine physicians.

12/2021 Worked with Johns Hopkins media production team to create series of promotional videos for Division of Hospital Medicine highlighting the work of the division. Involved developing script, shooting and editing project with multiple physicians and filmed in professional television studio.

5/10/2020 Interviewed on ABC TV channel WJLA, "Mom's coronavirus recovery makes Mother's Day special for Johns Hopkins administrator," original interview.

3/25/2016 Interviewed on radio station WCHL, "Is there a doctor in the house?" original 5-minute interview

Other Media

Garneau WM. Invited commentary to Maryland Health Services Cost Review Commission regarding modernization of methadone prescription data monitoring. Remarks presented to commission April 9, 2025.

Garneau WM. E-cigarettes may help smokers quit after all. https://abcnews.go.com/Health/cigarettes-smokers-quit/story?id=48886292 (accessed 11 Oct 2020).

FUNDING

EXTRAMURAL Funding

KL-2 Award
Clinical Research Scholars Program, 2023
75% FTE Protected Time
Johns Hopkins Institute for Clinical and Translational Research (ICTR)
National Center for Advancing Translational Sciences (NCATS)
Clinical and Translational Science Award (CTSA), grant number KL2TR003099

CURE-ID (FDA)
Johns Hopkins Biomedical Informatics & Data Science (BIDS), 2023
15% FTE Protected Time
Bioinformatics project to develop platform for reporting novel treatments for infectious disease

INTRAMURAL Funding

Next Generation Scholars Award
Center for Innovative Medicine, 2025
Johns Hopkins Department of Medicine
$240,000 Award to Support Career Development in Research

Johns Hopkins CORE Coins Award
Johns Hopkins Department of Medicine, 2025
$10,000 internal funding award to support research

Hospitalist Innovation Grant
Johns Hopkins Division of Hospital Medicine, 2022
7.5% FTE Protected Time

CLINICAL ACTIVITIES

Clinical Focus
- Substance use treatment
- Hospital Medicine

Resident Education

Barker Firm Faculty
Osler Resident Interviewer
Osler Residency Selection Committee

Certification

Medical, other state/government licensure

California Medical License, ; 2020-Present
Maryland Medical License, ; 2019- Present
Maryland Controlled Dangerous Substances License ; 2019 - Present

Advanced Cardiac Life Support/Basic Life Support; 2016-Present

Boards, other specialty certification

Internal Medicine, Board Certified, American Board of Internal Medicine, ; 2019-Present
Addiction Medicine, Board Certified, American Board of Preventive Medicine, ; 2026-Present

Clinical (Service) Responsibilities
Substance Use Disorders inpatient consultation team
Direct Care / Hospitalist service
Brancati service
Medicine consult service
Orthopedic co-management service
MPCU teaching service
Firm teaching service
Hopkins Access Line

Clinical Productivity

Clinical Draw

Membership in or examiner for specialty board

Clinical Program Building / Leadership

Johns Hopkins COVIDIST program
11/15/2020-6/2021
Central bedside clinician leading the launch as well as developed protocols for running new COVID19 unit on Zayed 11East

Johns Hopkins COVID therapeutics group
1/2021-12/2021
Contribute to ongoing working group discussing COVID research and therapies

Clinical Demonstration Activities

Development of nationally/internationally recognized clinical standard of care

CURE-ID
12/2023

Served as lead clinical informatician for national project funded by NIH/National Center for Advancing Translational Sciences to assist medical centers across the United States to convert data system to OMOP common data model. Worked extensively with data scientists at Emory, Montefiore, UT Southwestern, Medical College of Wisconsin, Wake Forest and other sites. Created website with resources for project (http://cureid.github.io).

Society of Hospital Medicine
6/2026

Part of HOMERuN workgroup on in hospital substance use policy

4/6/2021

Presented clinical practice guidance for Rapid COVID-19 Updates Session April 6, 2021 to national audience

EDUCATIONAL ACTIVITIES

Educational Focus

Inpatient hospital medicine
Inpatient addiction medicine

Teaching
Classroom instruction
JHMI/Regional

TIME:SUDS: SOM Students
3/12/2026-3/13/2026

Instructor for Johns Hopkins University School of Medicine students as part of the substance use disorder block of the first year medical student curriculum.

Shared Decision Making: SOM Students
9/2021-2/2022

Developed curriculum and taught session on shared decision making and medical communication value care for Johns Hopkins University School of Medicine students on their Medicine clerkship.

Clinical Update on COVID: Osler Medicine residency
1/5/2022

Selected SOM faculty teacher: worked with approximately 50 residents to provide guidance on outpatient and inpatient management of COVID-19. Prepared slides and provided hour long guide to COVID management for the hospital's medicine training program.

Barker Firm Faculty "Managing Inpatient emergencies: SOM, Osler Medical Residency Residents
8/3/2021

Selected SOM Faculty teacher: Reviewed essential features of management of inpatient emergencies with medical students and residents on the Barker Teaching service.

TRIPLE Program: SOM students
4/6-4/7/2021

Selected SOM faculty teacher: worked with approximately 100 graduating medical students from SOM on management of various inpatient situations using simulation lab in preparation for internship year. Class was conducted in sim center using Zoom platform given remote learning environment.

Transition to the Wards: SOM students
2021-Current

Selected SOM faculty teacher: worked with approximately small group of medical students as they transitioned to clinical work. Observed clinical exam and provided written feedback on performance.

Things We Do For No Reason: SOM Students
2/2020

Taught session on high value care for Johns Hopkins University School of Medicine students on their Medicine clerkship.

The Johns Hopkins University Interprofessional Education and Interprofessional Clinical Practice: SOM, SON, SOPH, and Notre Dame of Maryland School of Pharmacy (SOP)
1/21/2020

Selected SOM Faculty Mentor, IPE Event #4: Interprofessional Communication, second year pre-licensure medical, nursing, and pharmacy learners (over 400 students) from JH School of Medicine, JH School of Nursing, and the Notre Dame of Maryland University School of Pharmacy are required to participate in four IPE events during their studies as part of a graduation requirement from each of the respective programs.

National
International

Clinical instruction
JHMI/Regional:
2019- 2025 Attending, 3rd year medical students; Brancati teaching service, MPCU teaching service, Firm Faculty 3-6 weeks each year
2019-2025 Attending, GIM fellows; GIM Consult Service, 1 week each year
2019-2025 Attending, 4th year medical students, Hospitalist direct care service, 3-10 weeks each year

National

International

CME instruction

JHMI/Regional

National

7/28/2026 Invited speaker, Yale University School of Medicine Addiction Grand Rounds, "Door-to-Balloon Time for Withdrawal: Evidence and New Approaches for Acute Withdrawal in the Fentanyl Era." New Haven, CT (Online)

6/24/2025 Invited speaker, Cleveland Clinic Department of Hospital Medicine Grand Rounds, "Hospital Experience for Persons with OUD." Cleveland, OH (Online)

4/6/2021 Speaker, Society of Hospital Medicine, COVID-19 Rapid Updates National Conference, "Clinical Management and Coagulopathy Updates," Baltimore, MD

International

Workshops/seminars
JHMI/Regional

National
Group leader, Society of General Internal Medicine Inpatient Addiction Medicine Interest Group – Workgroup Leader (May 2025)

International

Invited speaker, Department of Anesthesia, Hospital and University Clinical Services of Kosovo (HUCSK), Pristina, Kosovo. Department for Donations and International Cooperation Invited Lecture. "VTE prophylaxis in hospitalized patients with COVID-19. December 6, 2021.

Mentoring
Pre-doctoral Advisees/Mentees
Yesha Shah (medical student)
Aanika Balaji (medical student)
Adrian Villasenor (nursing preceptorship)
Severyn Kushmeliuk (medical student)
Corrina Klein (medical student)

Post-doctoral Advisees/Mentees
Matthew Lankiewicz MD (Johns Hopkins Bayview Medicine Resident)
Dustin Kee MD (Johns Hopkins Hospital Medicine Resident)
William Wical, PhD (Johns Hopkins School of Public Health) *
* Received Samuel Jordan Graham postdoctoral fellowship award for 2026

Thesis committees

Educational Program Building / Leadership

Committee member, JHU SOM Education Strategic Priority 5 Committee

Educational Demonstration Activities to external audience

RESEARCH ACTIVITIES

Research Focus
Management of hospitalized patients with opioid use disorder
Management of hospitalized patients with COVID-19 (previous)
Epidemiology of mpox (previous)

Research Program Building / Leadership

3/2024: Substance Use-Infectious complications team
Core member of research team including members of Division of Hospital Medicine, Division of Addiction Medicine, Division of Infectious Diseases, and School of Public Health studying outcomes for patients with substance abuse.

8/2023 – Present
JHHS Patients with Substance Abuse Working Group
Served as hospitalist liaison and organizer of researchers, clinicians and stakeholders interested in developing grant proposal for improving care for patients with substance abuse treated within JHHS. Group includes Johns Hopkins DOM (Infectious Diseases, Addiction Medicine) as well as JH Emergency Medicine, Baltimore City Department of Health, Johns Hopkins Bloomberg School of Public Health.

7/2022 – Present
Johns Hopkins Center For AIDS Research Mpox Working Group
Core member of mpox study group. Contributed to multiple posters, manuscripts related to work by members of the Johns Hopkins Center for AIDS Research group related to the mpox epidemic. Performed validation work on data, chart review, editing, writing and literature review related to clinical management of mpox at JHHS.

1/2022 – 3/2025
Johns Hopkins B-Cell Depleted Patients and COVID-19 Working Group
Led research study of patients with b-cell depletion treatment who were hospitalized at Johns Hopkins Health System. Submitted IRB, data request, data validation, chart review, literature review, editing, writing, and submitted manuscript

Research Demonstration Activities

Inventions, Patents, Copyrights

Technology Transfer Activities

SYSTEM INNOVATION AND QUALITY IMPROVEMENT ACTIVITIES

System Innovation and Quality Improvement efforts within JHMI

2024-Present Johns Hopkins Health System Opioid Stewardship Clinical Community

11/20-6/21 Contributor, COVIDist program, help refine system for caring for patients with COVID-19

9/19 – 6/20 Contributor, Tobacco Task Force, tobacco-free campus initiative and development of improved resources for tobacco cessation aids

8/18 – 11/19 Contributor, Telemetry Task Force, ongoing quality improvement project to reduce telemetry use and revise Epic order set

System Innovation and Quality Improvement efforts outside of JHMI

System Innovation and Quality Improvement Program Building/Leadership:

2018 – 2019 Enterprise Technology Services and Technology Innovation Center Review Board

ORGANIZATIONAL ACTIVITIES

RECOGNITION

Awards, Honors

2026 ASAM Abstract Submission Award - Associated Professional, *American Society of Addiction Medicine*
2026 Winner, *College of Problems of Drug Dependence*, Community Champion award
2026 Fellow in Hospital Medicine, *Society of Hospital Medicine*
2025 Nominee, *Society of Hospital Medicine* Junior Investigator of the Year
2025 Winner, *Maryland Society of Hospital Medicine* oral abstract competition
2025 Research in Addiction Medicine Scholar (2025-2027)
2025 Carey Business School Innovations for Substance Use Disorders (I4SUD) full scholarship

2025 Center for Dissemination & Implementation Science At Stanford (C-DIAS) Fellowship
2025 Next Generation Scholar, Center for Innovative Medicine
2025 Delta Omega Alpha Public Health Honor Society Inductee
2025 Best Overall Poster, Runner-Up, *American Society of Addiction Medicine* Annual Conference
2025 Researcher of the Year, Johns Hopkins Hospital, Division of Hospital Medicine
2025 Advancing Innovation in Maryland Award Winner, Maryland Health Services Cost Review Commission
2023 Baltimore Top Doctor, *Baltimore* Magazine
2023 Johns Hopkins Division of Hospital Medicine Citizenship Award
2021 Barker Firm Faculty
2015 John B. Graham Student Research Society Medical Student Travel Award
2014 Gold Humanism Honor Society
2014 Kerr L. White and Edward Wagner Scholarship in Health Care Research
2013 Eugene S. Mayer Honor Society for Community Service Inductee
2013 Kerner Medical Alumni Loyalty Fund Scholarship
2012 John B. Graham Medical Student Research Society Inductee
2012 Benjamin H. Kean Traveling Fellowship in Tropical Medicine, American Society of Tropical Medicine and Hygiene
2012 UNC School of Medicine International Fellowship

Invited Talks

JHMI/Regional

9/15/2026 Speaker, University of Maryland Addiction Medicine Grand Rounds, "Door to Balloon Time for Withdrawal: Evidence & New Approaches for Acute Withdrawal in the Fentanyl Era." Baltimore, MD

4/9/2025 Speaker, Maryland Health Services Cost Review Commission, "Pilot Integration of OTP Data into Maryland CRISP," Pikesville, MD

9/15/2023 Speaker, Johns Hopkins Center for AIDS Research Annual Meeting, "Clinical Outcomes Among In- and Outpatients with Mpox in an Urban Health System," Baltimore, MD
